## WEB DEVELOPER

---

### PROFILE

I'm a web developer with a solid foundation in HTML, CSS, and JavaScript, developed through intensive bootcamps and online learning. With a talent for intricate design and a focus on detail, I'm eager to bring my skills to a professional setting.

### EXPERIENCE

#### FULL-TIME PARENT

Dec 2022 – Present

As a full-time parent, I excel in orchestrating daily routines and adeptly adapting solutions to unexpected challenges, ensuring smooth operations within the household. While prioritizing the care and development of my family, I also dedicate time to my own self-development, preparing for a seamless transition back into a full-time career. With a commitment to continuous growth and a solid foundation in managing multiple responsibilities, I am poised to bring valuable skills and experiences to any professional role.

#### FURNITURE ASSEMBLY SPECIALIST / IKEA

Jun 2020 – Dec 2022

I excelled in the assembly and maintenance of showroom furniture, consistently delivering high-quality results. With meticulous attention to detail, I ensured that all furniture was assembled correctly and free of defects, maintaining the standards of excellence synonymous with the IKEA brand. This experience honed my skills in precision assembly, quality assurance, and attention to detail.

#### FOOD SERVICE ASSOCIATE / IKEA

Sep 2019 – Jun 2020

#### HANDYMAN / SELF EMPLOYED

Nov 2016 – Sep 2019

#### SALES MANAGER OF PREMIUM PHOTOGRAPHY EQUIPMENT

Apr 2001 – Sep 2009
