Objective

I'm a web developer with a solid foundation in HTML, CSS, and JavaScript, developed through an intensive bootcamp and self-directed learning. I enjoy solving problems and focus on details. I'm driven, and keen to learn and grow in my first web development role.

Experience

- PRIMARY CARER + retraining in web development** Jan 2023 - Present
I completed my web development bootcamp whilst being the primary carer for my 2- and 5-year-old children. I also attend meet ups and have support from a mentor. Balancing self-development and family responsibilities has grown my organisational and time management skills.
- FURNITURE ASSEMBLY SPECIALIST / IKEA** Jun 2020 - Dec 2022
I was responsible for the assembly and maintenance of showroom furniture across IKEA Bristol, consistently delivering high-quality results with great attention to detail.
- FOOD SERVICE ASSOCIATE / IKEA** Sep 2019 - Jun 2020
- HANDYMAN / SELF EMPLOYED** Nov 2016 - Sep 2019
Performed kitchen and bathroom remodeling, including painting, decorating, door restoration and repair, and general construction.
- VOLUNTEER / CHOOSE LOVE** Dec 2015 - Nov 2016
I worked in various roles, managing warehouse operations and providing food to people in Calais.
- VOLUNTEER / EMMAUS** Jun 2011 - Dec 2015
My main role was delivery driver in several locations in France, picking up furniture to be repaired and resold.

Education

- Open Classrooms** Nov 2023 - Feb 2024
Web development skills bootcamp funded by Department for Education
- Free Code Camp** 2023
Responsive web design
- The Icelandic Film School**
Filmmaking course
My team made a shortfilm and had it shown to public in the cinema.
- VERKMENNTASKÓLINN Á AKUREYRI**
College

Skills

- JavaScript.
